Professional Summary

Creative and detail-oriented Frontend Developer with 4+ years of experience designing and building responsive, user-focused web applications. Skilled in React.js, Next.js, TypeScript, and Web3 development, with strong expertise in API integration, performance optimization, and modern UI frameworks. Passionate about delivering high-performance, scalable, and user-friendly digital products.

Experience

Frontend Tutor — Geegstack (2020 – Present)

- Designed and developed mobile-first, responsive websites with HTML, CSS, JavaScript, and TypeScript.
- Built highly interactive UIs using React.js, Next.js, and Tailwind CSS, ensuring accessibility and optimized performance.
- Integrated RESTful APIs and blockchain networks, managing complex state and asynchronous data flows.
- Implemented Git/GitHub workflows for version control, issue tracking, and code reviews.
- Conducted unit testing, debugging, and cross-browser compatibility checks to improve reliability.
- Collaborated with designers, backend developers, and product managers to ship user-centric applications.

Projects

AI Nutritionist

Intelligent web app that helps users make healthier food choices by analyzing meals and suggesting nutrition tips.

- Tech Stack: React.js, Next.js, TypeScript, Tailwind CSS, Nutrition API
- Features: Meal analysis, personalized recommendations, fully responsive design.
- Live Demo: <https://nutritionapp-ze9g.vercel.app/>

Web3 Landing Page

A landing page for Web3 applications with modern UI and responsive layout.

- Tech Stack: React.js, Next.js, Tailwind CSS, Web3
- Live Demo: <https://abdulmalik-buycex-14nu.vercel.app/>

Education

University of Ibadan — B.Sc. in Chemistry (2023)

Skills

Languages: HTML, CSS, JavaScript, TypeScript

Frameworks & Libraries: React.js, Next.js, Tailwind CSS

Tools & Platforms: Git, GitHub, GitHub Actions, VS Code, Postman, Figma, Vercel, Netlify

APIs: RESTful APIs, JSON, WebSockets, Web3

Testing & Debugging: Unit testing, performance optimization, browser compatibility

Soft Skills: Problem-solving, collaboration, attention to detail, communication, time management
